

10th ANNUAL ENERGY & CONSTRUCTION BEST PRACTICES SUMMIT

Clean Tech: Washington's WISE Future

Clean Tech: Washington's WISE Future

May 28 & 29 - At Bates Technical College - South Campus
2201 South 78th St., Tacoma, WA

Registration is required for these free events
<http://cleanenergyexcellence.org/summit>

Nearly 200 industry, organized labor, education, workforce and economic development experts will gather to discuss the latest information on energy and construction best practices. Informative speakers, panels and an exciting tradeshow provide innovative thinking, and professional development opportunities. Discover what is new in clean technology as it relates to the fields of energy and construction. Both days include food, networking and vendor pavillion

May 28

8:30 am - 5 pm

Keynote: Brian Young, Washington Dept. of Commerce Clean Tech Sector Lead, provides an excellent link between the clean energy and construction industries and will align this year's summit theme with the Governor's platform on clean technology.

May 29

8:30 am - 3 pm

Workshops & breakout sessions focus on educators, Work Ready Washington, and Cascadia Region Earthquake Readiness follow-up report.

Vendor space is available! Contact:
