"WHEREAS energy efficiency and developing an energy workforce trained in clean energy technology are important components of Executive Order 14-04, Washington Carbon Pollution and Clean Energy Action..."

Governor Jay Inslee

"WHEREAS, through collaboration, the Pacific Northwest Center of Excellence for Clean Energy – a Centralia College Partnership, and the Washington State Labor Council will organize statewide events to inform Washingtonians about rewarding careers and training opportunities in energy."

2014 Careers in Energy Week proclamation signed by Gov. Jay Inslee

"We need to attract dedicated customer focused employees and energy week is our opportunity to do that. We support this so students of all ages understand and can learn about the opportunities in the power industry."
